

BABY SCALE LINERS

ENSURE OPTIMAL SCALE COVERAGE FOR PATIENT HYGIENE

TIDI's custom-sized Baby Scale Liners provide a cost-effective and full-coverage barrier for your baby scale. The liners' perfect fit will ensure your equipment and patient are protected.

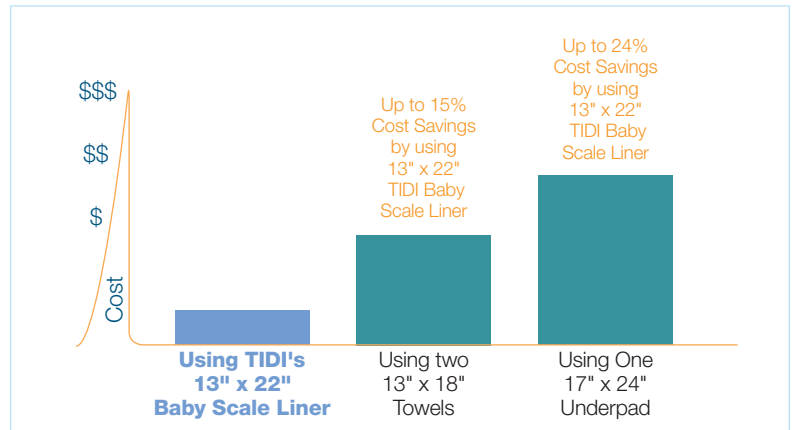

TIDI'S BABY SCALE BARRIERS PROVIDE:

- Two plies of tissue for comfort, softness and absorbency
- Poly backing prevents leak-through
- Special sizing means the scale is covered - protecting baby and scale
- Inviting, baby-friendly pattern
